

CASH TESTER

CT 334

Fast, 4 currencies,
updatable and with
auto-detection!

A new generation of detectors is born: smaller, quicker and with automatic currency detection! The **CT 334** checks all Euro notes and is standard equipped with software for 3 other currencies !

The **CT 334** and its rechargeable battery, the sophisticated report function and the update possibility of the machine via USB: we can't make it easier for you!

And of course also this Cashtester is successfully tested!
