

**PRO DVX**  
THE ART OF DIGITAL VIEWING

**PRODUCT CATALOGUE 2020**

## WE ARE PRODVX

Thank you for your interest in our company. We are pleased to present to you our 2020 product catalogue with our newest products and features.

Since 2004, we have been making the difference for our clients with valuable solutions. We do this by leading the way in product development and through our diverse and innovative product portfolio.

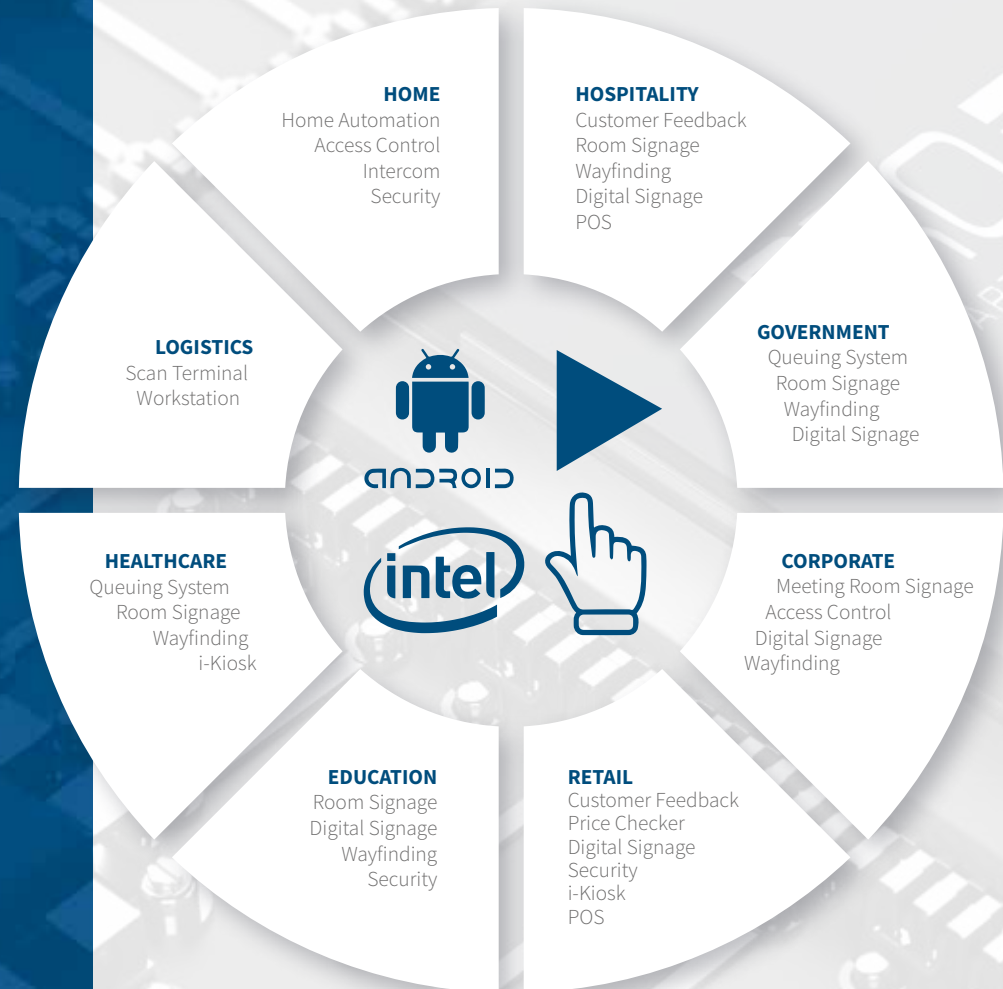

We provide high quality, state-of-the-art Android and Intel SOC displays, touchscreens and related accessories for numerous markets and applications. Our products are globally renown for their reliability, affordability and ease-of-use.

We value direct and short lines of communication with our supply chain partners. This way, we are able to keep prices down but also deliver tailored service and support to end-users. Our customers know they can rely on us, our resellers and distributors.

Would you like to know more about us and our products? Please feel free to contact us. You can visit our website at [www.prodvx.com](http://www.prodvx.com) or send an e-mail to [sales@prodvx.com](mailto:sales@prodvx.com).

We are looking forward doing business with you.

Best regards,  
ProDVX

## Premium Integrated Android SOC Touch Displays

### X-Series

The brand new, state-of-the-art X-Series consists of four Premium Integrated Android SOC Touch Displays. All displays come with Android 8, Power over Ethernet (PoE) and 16 GB Internal Storage. The X-Series are available in 7, 10, 15 and 22 inch. These displays are professionally designed and manufactured All-in-One Touch Displays with Embedded ARM processor. Known for its innovations, ProDVX offers the latest cutting-edge technology to deliver the best customer experience.

### FEATURES

-  Android 8, Linux Ubuntu (optional)
-  High quality and durable PCAP touch
-  Available sizes: 7, 10, 15 and 22 inch
-  Integrated LED status lights (RGB)
-  Commercial grade continuous usage (24/7)
-  Several connectivity options such as LAN, Power over Ethernet, Wi-Fi, Bluetooth and POGO ports for accessories

### MARKETS

The X-Series is ideal for applications in Retail, Corporate, Industrial, Hospitality, Healthcare, Government, Education and many more markets.

### APPLICATIONS

- i-Kiosk
- Interactive Digital Signage
- Room Booking
- Wayfinding
- POS/POP
- Queuing
- Security
- Access Control
- Feedback Terminals
- Price Checker

## UltraWide Signage Displays

### Integrated Android PC

The UltraWide Signage Displays by ProDVX are custom designed and manufactured All-in-One Displays with Embedded ARM processor (SOC) for commercial continuous (24/7) use.

These UltraWide displays offer a unique slim form factor and come in three sizes: 24, 28 and 37 inch. Known for its innovations, ProDVX offers the latest cutting-edge technology to deliver the best customer experience.

### FEATURES

- ✓ Available sizes: 24, 28 and 37 inch
- 24/7 Commercial grade continuous usage (24/7)
- 📶 Several connectivity options such as LAN, Wi-Fi and Bluetooth
- 🛡️ Long-life-availability of products and parts (3 to 5 years)

### MARKETS

ProDVX's unique UltraWide Signage Displays are ideal for applications in Retail, Corporate, Hospitality, Healthcare, Government, Education and many more markets.

### APPLICATIONS

- Menu Boards
- Queuing
- Digital Signage
- Wayfinding

## Touch Monitor Displays

### Projected Capacitive Multi-Touch Monitors

The Touch Monitor Displays by ProDVX are specially designed and manufactured touchscreens for professional and continuous (24/7) use. With many years of experience manufacturing touchscreen solutions ProDVX offers a growing range of sizes. The current line-up consists of 7, 10, 15 and 22-inch displays. Known for its innovations, ProDVX offers the latest cutting-edge technology to deliver the best customer experience.

### FEATURES

-  High quality and durable PCAP touch
-  Available sizes: 7, 10, 15 and 22 inch
-  Commercial grade continuous usage (24/7)
-  Several connectivity options such as LAN, Wi-Fi, Bluetooth and POGO ports for accessories
-  Long-life-availability of products and parts (3 to 5 years)

### MARKETS

ProDVX's cost-effective Touch Displays are ideal for applications in Retail, Corporate, Industrial, Hospitality, Healthcare, Government, Education and many more markets.

### APPLICATIONS

- i-Kiosk
- Interactive Digital Signage
- Room Booking
- Wayfinding
- POS/POP

## Box PCs

### Industrial Grade Box PCs

The Box PC solutions by ProDVX are specially designed and manufactured Industrial grade PC's for professional and continuous (24/7) use. With many years of experience manufacturing compact, fanless and robust PC systems ProDVX offers a reliable and growing product range with various chipsets and processors. Known for its innovations, ProDVX offers the latest cutting-edge technology to deliver the best customer experience.

### FEATURES

-  Android 5, 9
-  Linux (optional)
-  Commercial grade continuous usage (24/7)
-  Several connectivity options such as Power over Ethernet, Wi-Fi and RS232
-  Long-life-availability of products and parts (3 to 5 years)

### MARKETS

ProDVX's cost-effective Box PCs are ideal for applications in Retail, Corporate, Industrial, Hospitality, Healthcare, Government, Education and many more markets.
